Sexual wellness

VAANCURE

# Natural Delay Spray

## Ingredients:

Clove Oil, Mono Propylene Glycol, Glycerin Citric Acid P, Propyl Hydroxybenzoate, Methyl Hydroxybenzoate Deionized water

## Key Benefits:

A quick and practical solution to premature ejaculation MYSTYMAN Endurance Delay Spray is a

- perfect choice for an enhanced sexual experience.

MYSTYMAN Endurance Delay Spray boasts a natural, paraben-free formulation and uses clove oil as

- an active ingredient.

It contains no Lidocaine or Benzocaine, allowing you to use it as often as you want without worrying

- about side effects. Clove oil has a mild numbing effect, enhancing endurance and delaying ejaculation naturally.

A spray bottle makes MYSTYMAN Endurance Delay Spray easy to use and mess-free to apply.

- Just one or two sprays on the erect penis head around 10 minutes before sexual intercourse is all it takes to reduce sensitivity and for you or your partner to last longer than usual.

Skin-friendly formulation

Suitable for use with condom

Lidocaine free

Alchol Free
