VAANCURE

Healthy Lungs (N-Acetyl Cysteine Effervescent Tablets)

A strong mucolytic for improved lung health & function. A potent anti-oxidant & Detoxifier for Immune System Support

Why our NAC Supplement is better ?

- Much less sulphur odour & NAC doesn't degrade – Better processing technology
- Faster Tablet dissolution time (< 2 mins) – convenient for consumer
- Better mechanical tablet strength & higher product stability at 25°C/60 RH for 12 months
- Highly porous (>50%) & more compressible granules

DROP. FIZZ. SIP.

Each 3200 mg tablet contains **600 mg of NAC**
Available in various customizable flavours

VAANCURE
