Personal Hygiene

VAANCURE

Intimate Wash

Enriched With Apple Cider Vinegar, Witch Hazel, Cranberry & Aloe Vera

Key Ingredients:

- Apple cider vinegar: It's antibacterial properties helps fight infections and ensures balanced pH.
- Witch Hazel: It provides you an extensive protection against bacterial and yeast infections. It also helps in reducing irritation.
- Aloe Vera: Helps in maintaining pH balance and looks after your all feminine hygiene needs naturally.
- Cranberry: Has the ability to release bacteria which are already stuck to the cells. It is also a source of various vitamins and antioxidants.

USP

- Balances Vaginal PH: The lactic acid formulation ensures an ideal vaginal pH level of 3.5
- Sulphate and paraben free: Free from harsh and irritating chemicals. It maintains the health of your intimate area in the most natural way.
- Locks odour, Keeps fresh: The 3 in 1 formula prevents bad odour, irritation and itching.

Sexual wellness

VAANCURE

Men's Intimate Wash

Ingredients : Tea Tree Oil, Aloe vera, Witch hazel, calendula extracts, passion fruit, menthol

USP

- Tea Tree Oil: Acts as an antibacterial and antiseptic, suitable for daily skin use.
- Witch Hazel: A natural astringent that cleanses and soothes the skin while treating various irritations, including razor bumps.
- Calendula and Aloe Vera Extracts: This combination offers anti-inflammatory benefits, effectively moisturizing the skin without leaving it greasy, making it ideal for intimate skin care.
